# IMPROVING THE FIELD OF AGING THROUGH INNOVATION

At Evergreen we are committed to enhancing the life of our residents by meeting their physical, medical and psychosocial needs. We believe enhancing life's journey happens through meaningful relationships and activities along with compassionate care. Please know our hope is always to 'Enhance life's journey for those we serve . . . and for those who serve'. We value relationships, friendships, professionalism and most of all our residents.

Our goal is to improve the field of aging through transformation...one organization...one person at a time, until every person who needs care is served with dignity, honor, choice and respect.
