Residents, Families, and Staff,

All,

As you may know, today is the end of the Public Health Emergency. While this is great news for our nation in moving forward from the pandemic, at this time there are no formal changes to Evergreen's current policies and practices.

As we implement changes related to this transition from the Public Health Emergency, we will notify you.

As a reminder, we encourage families to participate in Evergreen community life with their loved ones per resident's choice.

We continue to strongly encourage the entire Evergreen family, including each of you, to continue to be vigilant and help us in preventing the spread of COVID-19.

We are so glad to have you as part of the Evergreen Family!

Be well,
Heather Pilkinton
Administrator
