Residents, Families, and Staff,

Over the weekend, two employees tested positive for COVID-19. This places us back in outbreak status. This impacts Mountain Chalet and Millcreek neighborhoods. Impacted residents have been tested and all tests are negative.

We are in ongoing communication with the CMS (Centers for Medicaid and Medicare Services), CDC (Centers for Disease Control), and Johnson County health department regarding COVID-19. We are closely monitoring and managing all aspects of infection control pertaining to COVID-19 mitigation.

This will not disrupt visitation in the community.

We continue to strongly encourage the entire Evergreen family, including each of you, to continue to be vigilant and help us in preventing the spread of COVID-19. Please continue to take all appropriate mitigation efforts and remind your loved ones to do the same.

Be well,
Heather Pilkinton
Administrator
