Evergreen Introduces a New Executive Director

Evergreen is excited to announce that Heather Pilkinton will be joining the Evergreen team as the next Executive Director. Heather is a big fan of Evergreen and our person-centered care philosophy. She is thrilled about the opportunity to be a part of the Evergreen team. Her first day will be Wednesday, October 27th. If you have

questions, please contact Chris Osborn, chriso@ecojc.org or 913-477-8252. Thank you.

Heather comes to us with 10 years of progressive experience in the field of senior living. Her alma mater is The University of Kansas, where she received a degree in Social Work. Heather is a licensed adult care home administrator. For the past six years, she has served as Executive Director in a non-profit continuum of care senior living community. Heather serves as a board member of the Board of Adult Care Home Administrators and is actively involved in aging services in and around the community.

HAPPY BIRTHDAY!

Every Family Council meeting plays a crucial role in the freedom each individual has to voice concerns, request improvements, support new family members and residents, while encouraging community efforts to make the care and quality of life in our community the best it can be.

If you are interested in participating in Family Council on Thursday, October 14th, at 5:30pm, please contact Justine Ogdon, Director of Life Enhancement, to coordinate setting up a virtual meeting.

To RSVP or for more information, you may contact Justine Ogdon at 913-477-8212 or justineo@ecojc.org.

Library

Work has begun on organizing and labeling our hundreds of library books; so residents, who have been reading up a storm, can find their new reads more easily. Donations of large print books are always appreciated and residents have requested more books by Carol Higgins, Karen Kingsbury, and Jessica Fletcher. The *Little House on the Prairie* books would also be a welcome addition. If you are interested in donating, please contact Jamie Milford, our volunteer on this project, at milford.jamie@gmail.com or call 816-361-8952.
